

*Little deeds of kindness*

*Little words of care*

*We've come to value  
the little things that make the  
world so fair*

*Family,*

*Friends,*

*Elders,*

*We've learnt to appreciate  
them all!*

*We've valued how  
much we have...*

...and realized how little we need.

ZanK-U! Parle-G for showing us how little things make a big difference.

For reaching out to people with your little deeds of kindness

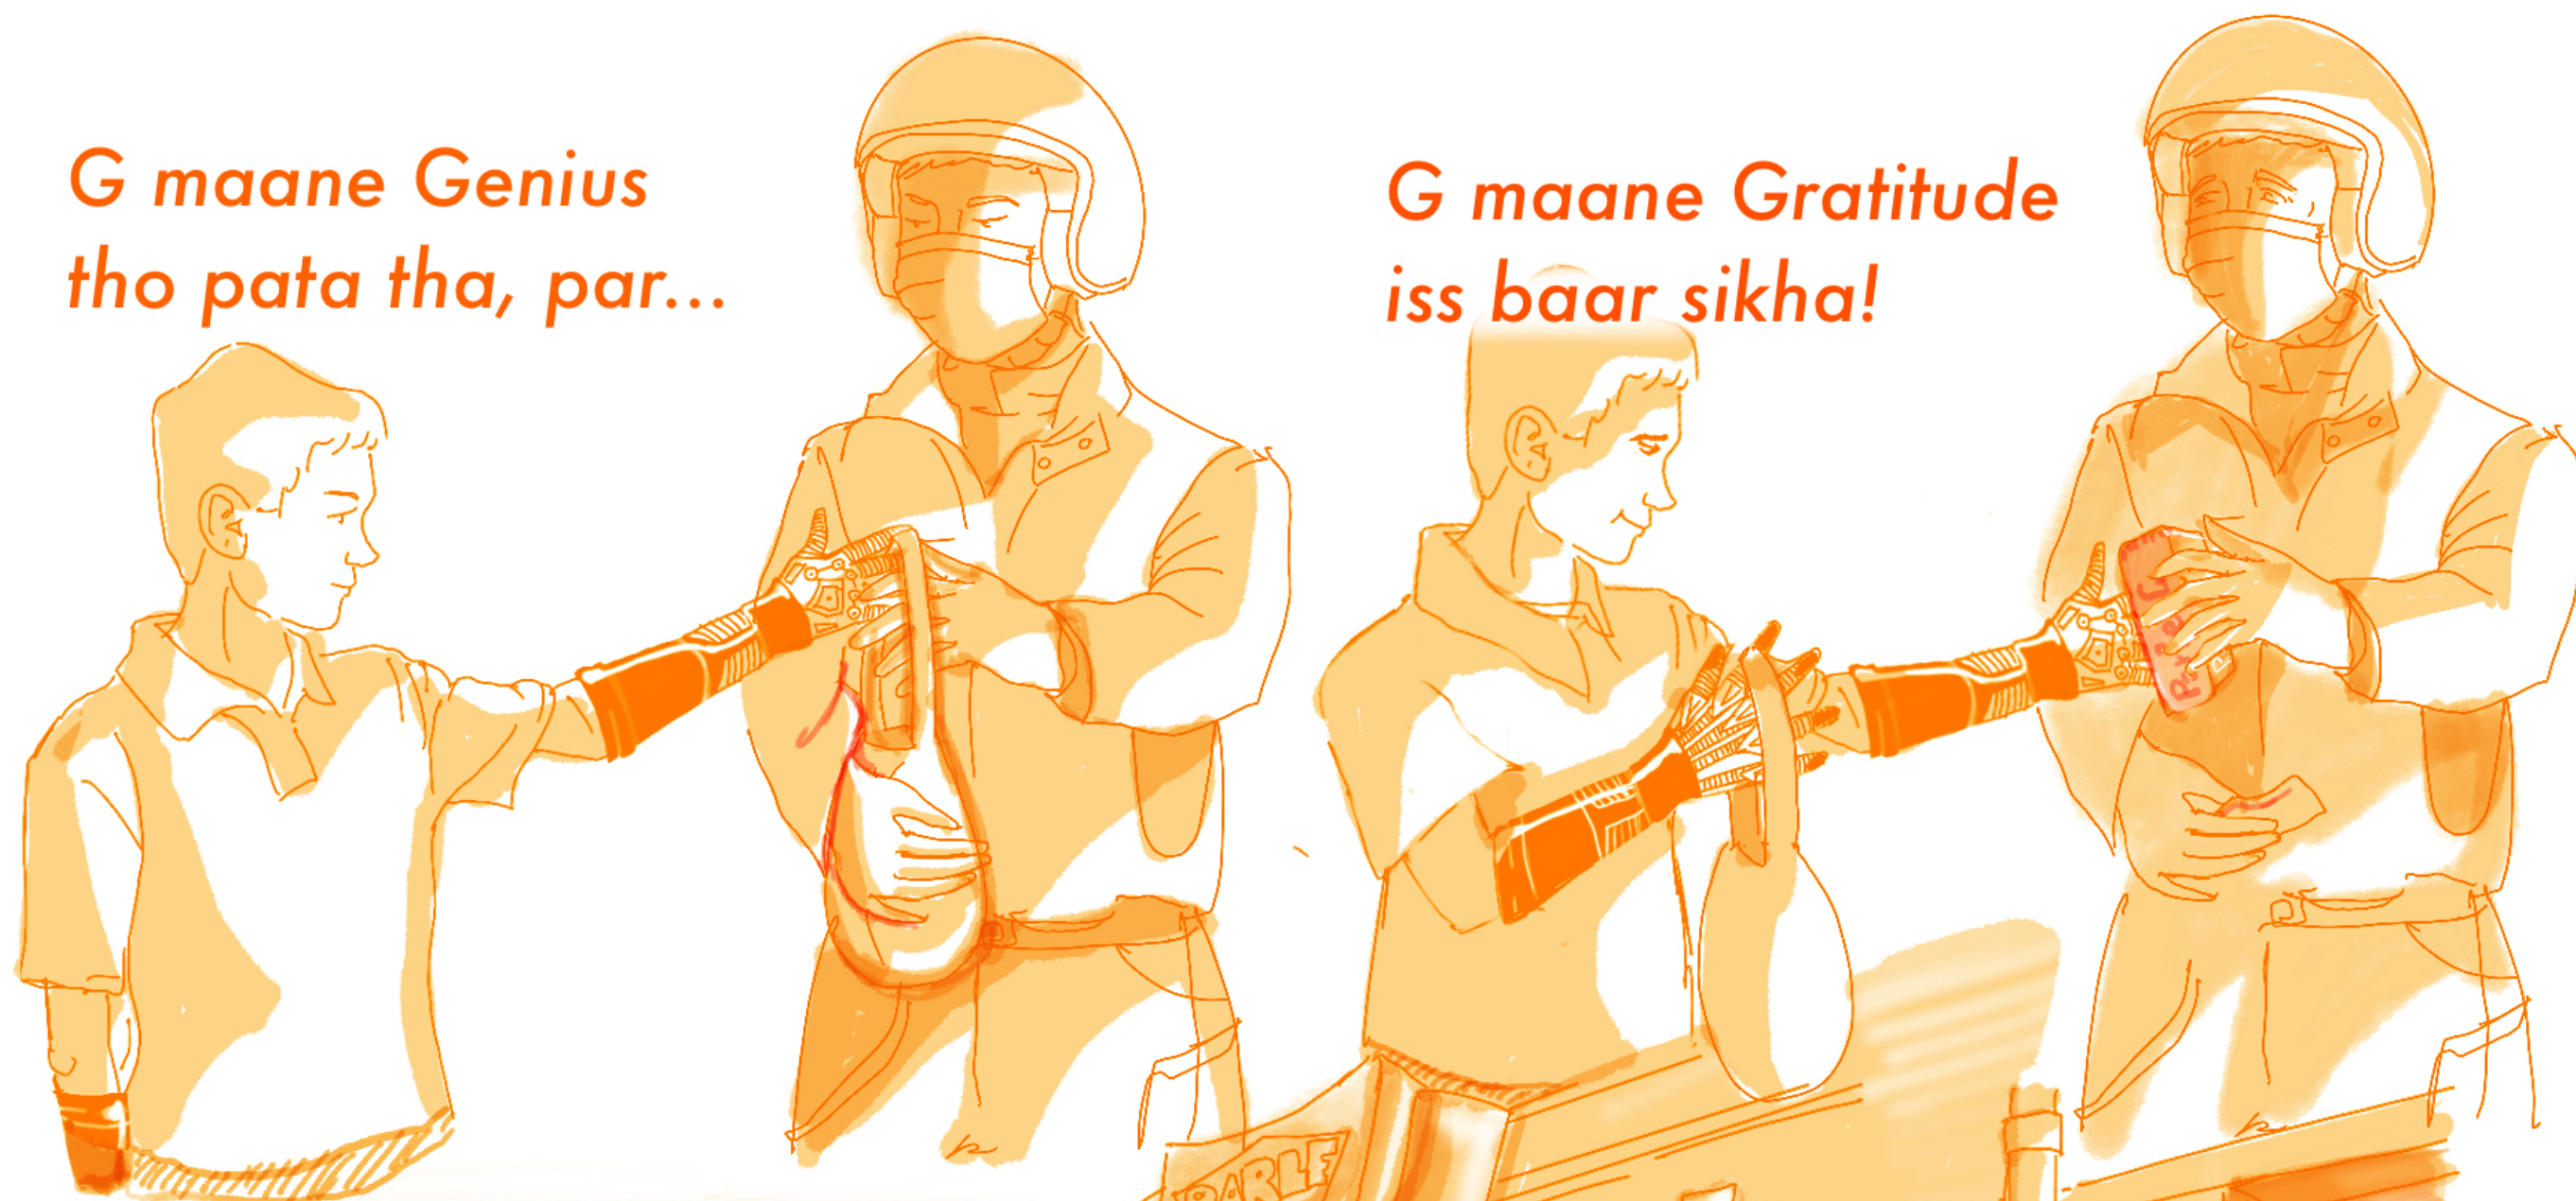

and teaching us the value of small, sweet things!
